PROFESSIONAL EXPERIENCE

UI/ UX DESIGNER - INTERNSHIP **December 2023 - February 2024**

Void Nepal Pvt. Ltd.

- Conducted user research to analyze and identify the needs and preferences of target users, enabling the creation of intuitive and user-centered interface designs.
- Designed mobile application interfaces for the company’s official product app, focusing on user experience and functionality.
- Collaborated with a team of designers to design the company’s official website, ensuring consistency and alignment with user needs and company goals.
- Developed high-fidelity mockups and design assets that were implemented in the official website, enhancing visual appeal and usability.
- Created interactive prototypes to effectively communicate design concepts and provide stakeholders with valuable insights into user interactions.

Data Science and AI Intern **August 2025 - February 2026**

Grid Consult Pvt. Ltd.

- Researched and explored AI-driven workflow automation using n8n for improving basic business processes.
- Assisted in analyzing company data using basic data visualizations to support better understanding and insights.
- Experimented with AI features like text summarization and data extraction within automation workflows.
- Tested and refined workflows by adjusting prompts and logic to improve output quality.
- Collaborated with team members to identify areas where AI could be applied to streamline operations.

EDUCATION/ TRAINING

Artificial Intelligence & Machine Learning Program **In Progress**

Broadway Infosys

3-month structured program covering neural networks, machine learning fundamentals, large language models (LLMs), LangChain, and retrieval-augmented generation (RAG) systems.

BSC (HONS) COMPUTING **2021-2024**

London Metropolitan University

Islington College

Kamal Pokhari, Kathmandu

+2 **2021**

National Examination Board (NEB)

Gems Institute of Higher Education (GIHE)

Dhapakhel, Lalitpur

SECONDARY EDUCATION EXAMINATION (SEE) **2019**

National Examination Board (NEB)

DAV School

Jawalakhel, Lalitpur

CERTIFICATIONS

AWS Academy Machine Learning Foundations

2022

AWS Academy Cloud Foundations

2022

TECHNICAL SKILLS

Programming: Python, React Native, JavaScript, HTML, CSS, SQL

Database: MySQL, MongoDB, SQLite

Data Analysis: Python(NumPy, Pandas, Scikit Learn, Matplotlib, Seaborn)

Design: Figma

SOFT SKILLS

Communication, Critical Thinking, Adaptability, Team Work, Creativity, Resilience, Problem-solving

PROJECTS

HEART DISEASE PREDICTION SYSTEM USING MACHINE LEARNING

- A simple heart health prediction model that uses multiple algorithms to predict heart health using metrics provided by the user trained using scikit-learn.
- GitHub link: <https://github.com/kshxg03/Heart-Disease-Prediction>

HEALTHEASE: HEALTH TRACKING MOBILE APPLICATION

- Final year project, where users can store their health data, participate in guided meditation sessions, stay informed with latest health news, record their medication data and remind them for daily intake, and so on.
- GitHub link: <https://github.com/kshxg03/HealthEase>

DATA MODELLING, ANALYSIS AND VISUALIZATION OF ANNUAL DATA OF A STORE

- Sales analysis performed on an annual data of a store stored in excel using JupyterLab using Python's libraries like: NumPy, Pandas, and Matplotlib.
- GitHub link: https://github.com/kshxg03/sales_analysis

CLONE WEBSITE OF USABILITYHUB.COM

- A simple responsive clone website of usabilityhub.com
- GitHub link: <https://github.com/kshxg03/HealthEase>

COSTUME MANAGEMENT SYSTEM

- A simple system to manage information regarding rents and returns of costumes developed using Python.
- GitHub link: https://github.com/kshxg03/costume_rental_system

INSTRUMENT MANAGEMENT SYSTEM

- A simple GUI system to manage information regarding rents and returns of instruments developed using Java.
- GitHub link: https://github.com/kshxg03/instrument_mngmnt

ECOMMERCE WEBSITE FOR BOOKS

- A simple e-commerce website to display available books and their details developed using HTML, CSS, and JavaScript.
- GitHub link: https://github.com/kshxg03/e-commerce_website_book
